SEES CLARK WINNER

KANSAS CITY STATE'S CORRESPONDENT THINKS SPEAKER WILL WIN

HAS MOST INSTRUCTED

OF 635 ELECTED, MISSOURI MAN CLAIMS 265—POLITICIANS TAKE HIM SERIOUSLY NOW.

A Washington dispatch to the Kansas City Times has the following:

Democratic politicians have suddenly awakened to the fact that the Speaker Champ Clark on the face of the returns is the most formidable candidate for the Democratic nomination for President.

It has been only within the last week or so that the Clark candidacy has been taken seriously. Now, however, there is almost a panic in the rival camps because it is seen that Clark is fast approaching the point that to defeat him for the nomination will take a combination of all the other candidates in the game, Bryan included. Incidentally, with the poor showing by Wilson and the fast development of strength by Clark, there bobs up more and more Bryan talk.

The victory of Clark in California has given the Clark boom the greatest impetus it has yet had. Then the news came from Michigan that that state had refused to instruct. That is taken to mean that it was a Clark victory, for all the forecasts had been that Michigan was a Wilson state. Wilson not being able to get instructions there is taken to mean that that state will go with the wagon, which is fast being filled with the speaker's men. Iowa is also controlled by the speaker.

There have been elected so far 635 delegates to the Democratic Baltimore convention. At the Clark headquarters it is said that the speaker has 265 instructed delegates and thirty-two pledged. In this 265 claim is included the twenty from Kansas, which, although instructed for him, are permitted to leave him when they please. There are here and there a few other instructed delegates with strings on them, but the fact still remains that Clark is well off in the lead and gives indication of getting stronger.

It should be remembered that in the Democratic convention it takes two-thirds to nominate or 730 delegates. A majority is 548. It will be seen that it's a far cry from a majority to a two-thirds vote.

EXERCISES HELD WEDNESDAY

Commencement of Eighth Grade of Hopkins High School Took Place Then.

The commencement of the eighth grade of the Hopkins high school was given at the Christian Church in that town Wednesday evening to a large and enthusiastic audience.

The first part of the program consisted of music and reading by members of the class.

The second part was "Mock Commencement," with the girls of the class attired in sunbonnets and blue aprons and the boys in blue overalls they made a striking and exceptional appearance.

Rolla Fleming was salutatorian, and well did he fill the place, his grammatical expressions and phrases were unheard of by Webster.

Essays on "Fies," "Weddings," "Hair Rats and Clothes" were given, also class history and poem, then came the most interesting and psychological moment when John M. Morehead, a member of the class attired as a superintendent delivered a short address and presented the diplomas. This entire part of the program was of the comical nature and took well with the audience.

After another class song and presentation of the real diplomas to five girls and eight boys the audience was dismissed by a prayer offered by Rev. Walton.

Bought the Alumbaugh Farm.

Mr. and Mrs. Charles W. Eaton of Barnard were in Maryville Wednesday and closed up a deal with Peter Alumbaugh also of Barnard, for his farm of seventy acres, which lies two and one half miles northwest of Barnard. Mr. and Mrs. Alumbaugh will move to Maryville.

WRITES OF THE CONFERENCE.

Rev. John States That the Committee Reported Unfavorable On Card Playing and Dancing.

Rev. C. H. John of this city has been receiving papers from Minneapolis, Minn., where the Methodist General Conference is being held and which is being attended by Dr. W. B. Christy of Maryville as a delegate from Missouri. He has been requested to write of some of the interesting things that has been taken place at the conference. He writes as follows:

"The general conference of the Methodist Episcopal church convened at Minneapolis on Wednesday, May 1, and was organized by electing Rev. J. B. Hingley, D. D. of the Northern Minnesota conference as secretary and also electing twenty-six assistant secretaries, one of which was Rev. J. W. Anderson of the Missouri conference. There were sixteen standing committees appointed, each of which number about 150 persons.

"As now composed the body contains 819 members. At present it looks as if the attempt to reduce its size will fail.

"The real work of the conference is done by its standing committees, and no matter pertaining to the regular work of the conference can be acted on until it is brought before the main body by its appropriate committee.

"One of the first acts of the conference was the adoption of a resolution presented by J. W. Anderson, W. F. Burris and W. B. Christy, severely censuring Secretary Wilson for insulting the Christian conscience of the American people by presiding at the National Brewers congress. Another resolution was passed endorsing the action of the commissioner of Indian schools in ordering that in all government schools there should be no denominational insignia in any public room and that employees wearing any distinctive denominational garb should leave it off while on duty. Also censuring the president of the United States for suspending said order.

"The committee to which was referred certain memorials asking for the elimination of certain parts of paragraph 260, relative to dancing, playing at games of chance, attending theaters, etc., by a vote of 100 to 51 favored retaining the paragraph as it is.

"The report is that three of the present board of bishops will be retired. The exact number of new bishops to be elected has not yet been determined, probably about six.

"The conference has fixed May 28 as the date of adjournment."

WILL INSTALL OFFICERS.

Epworth League of Pickering to Have Installation Next Sunday Evening.

TARKIO BIT THE DUST

IN GAME WITH THE NORTHWEST NORMAL TEAM.

WAS CLOSE GAME 2 TO 1

The Game Lasted One Hour and Fifteen Minutes—Teams Played Fast and Close.

For the first time in the history of athletics at the Northwest Normal, the local school humbled Tarkio College when they won from the Collegians' baseball team yesterday by a score of 2 to 1. The count will indicate the game was a close one and was fast from start to finish. It took just one hour and fifteen minutes to play the contest. The one feature of the battle, aside from the good work of both pitchers, was the running catch of Withrow's long fly by Adams in the eighth inning. This marvelous catch doubtless saved the game for the locals for that swat would have gone for a homer sure if the big left-fielder hadn't captured it. A coincidence of the contest was that the Normal got but two safe hits, one of which was of the scratch variety, while the losers connected safely eight times. But "The Jew" was there in the pinches and should have scored a shutout. Garvin, who opposed Wilson on the mound, pitched an excellent game but his teammates accorded him poor support. Not a run crossed the plate until the first half of the sixth, when the enemy counted one. Pyres opened with a liner to left, stole second and took third on Withrow's safe one between first and second. Gelvin sent a long fly to Richardson and the big Swede returned it perfectly to home, but the throw got away from McKee and Pyres scored. In the home half of the sixth, Wilson was safe on Kirk's muff of his pop fly. When Taylor hit safely to right, the Jew went clear to third and scored on Adams' grounder to short. The winning run of the game came in eighth. Perrin opened the inning with a long fly to center which Wilkin dropped allowing the Normal first sacker to go to second. Wilson hit sharply to short and Morehead let the ball go through and Perrin went home with the winning run.

SUIT FOR DIVORCE

FILED BY C. J. COLDEN A FORMER MARYVILLE NEWSPAPER MAN.

FROM JESSIE F. COLDEN

Mr. Colden's Petition Filed in Independence—He Resides in Kansas City—Family Lives Here.

A suit for divorce was filed Tuesday in Independence, Jackson county, Mo., by Charles J. Colden, formerly of Maryville, but now of Kansas City, from his wife, Jessie F. Colden of Maryville. It is not known what the petition contains.

Mr. Colden is living in Kansas City and is at present doing magazine writing and other literary work there. He was in New York City a few months last year studying for this line of work. He has not been a resident of Maryville for several years. The family moved to Kansas City and lived there two years, where Mr. Colden prospered greatly in the real estate business. They returned to their home in Maryville about a year ago, but Mr. Colden was not here but a few weeks.

Mrs. Colden and their three children, Archie, Vijune and Abbie, live at the Colden home on North avenue.

The announcement of the filing of this suit in Wednesday's Kansas City Times was a great surprise to Maryville people. Mrs. Colden is a member of one of the best families in Nodaway county and is a cultured Christian woman.

Mr. Colden was the founder of the Nodaway Forum and represented Nodaway county in the Missouri legislature two terms. He was a candidate for state senator from this district four years ago being defeated by Senator Peck, the Republican candidate. Mr. Colden was president of the board of regents of the Northwest Normal, and made a trip to Europe while a member of the board in the interest of industrial and agricultural features for that school.

HOLKER STEERS SOLD HIGH.

Hopkins Feeder at St. Joseph With Consignment of Good Steers.

A well-fattened bunch of steers good enough to sell at \$8.65, the top of the market and a price equal to the high record of the year at St. Joseph, was marketed Tuesday by Joe Holker, an extensive farmer and cattle feeder of Hopkins. There were 6 steers, cut out of a shipment of cattle, marketed by Mr. Holker, averaging 1,413 lbs., that sold at the price mentioned above.—Live Stock Journal.

FLEMING OPERATED ON.

The Wealthy Livestock Man Doing Well in St. Joseph Hospital.

T. E. Fleming of Graham was operated upon this week at the St. Joseph's hospital in St. Joseph for an internal abscess. Mr. Fleming was taken sick while on his way to his ranch and hurried back as far as St. Joseph. Dr. J. F. Schmidt performed the operation and reports the patient as doing well. Mr. Fleming lost his fine \$20,000 farm house at Graham by fire last January.

COME THROUGH HERE

DENVER AUTO PARTY IS DUE IN MARYVILLE ON JUNE 6.

WILL MEAN A GREAT DEAL

For Glidden Route as Run Is Made by Denver Commercial Club, Who Will Advise Route.

According to a letter received today by G. B. Roseberry from Frank Burt, chairman of the route and entertainment committee Denver Chamber of Commerce, fifty automobiles containing Denver people will pass through Maryville on Thursday, June 6, and will make Tarkio the noon control.

The Denver Commercial club is to make the run from that city to Chicago and are to leave Denver on May 21. They are not to return until the first week in June and it is not known how they will come to Maryville. But from Maryville on, they will take the 1910 Glidden tour route, which passes through Burlington Junction, Tarkio and Shenandoah.

The Denver autoists coming on the Glidden route means a great deal for the route and the towns on it. They are going to report the trip and no doubt, a large number of tourists will follow their routing.

The Maryville Commercial club will arrange to have the road in fine condition for the autoists as will also Tarkio and Shenandoah.

Eloquent, but "spacheless."

Horace Gibson, the spellbinder of the senior class of the Maryville high school, who can talk hours and hours for the initiative and referendum and then begin again and do it all over better than before right in the face of that terrible censor, Professor Shepherd Leffler, was rendered completely "dumb and spacheless" Wednesday by a very little matter. The members of his class discovered that Wednesday was his seventeenth birthday anniversary while at the class party at Miss Hildred Hanna's home Tuesday evening, so they planned a surprise for him, as they have been wanting to get even with him for so gloriously winning the debate from Savannah, but hadn't had a chance till now. They ordered a nice two-course dinner on Tuesday at Reuillard's cafe and he was easily towed into the place by one of the boys and lo, there they all were, seated around the table waiting for him, with a big birthday cake in the center of the table, lighted by seven candles. That was the time that Horace couldn't speak and the whole class thoroughly enjoyed his predicament. After the dinner was over each member of the class carried away a candle from the cake as souvenirs. Horace Gibson is the youngest boy in the class.

Planned for Larger Work.

The superintendent and teachers of the First Baptist Church Sunday school gave a luncheon in the church parlors Wednesday evening at six o'clock and planned for improvements that are soon to be made in the work of the school. Superintendent Craig presented the matter of adopting the graded system for the school which met with unanimous approval and will be established as soon as the books arrive. A new Sunday school orchestra has just been organized and will make its first appearance next Sunday, with Mr. Bennett as director. The teachers are Mr. Herman W. Hull, Mr. F. W. Olney, Miss Ada Albert, Professor E. L. Herrington, Mrs. Anderson Craig, Miss Myra Hull, Mrs. Gay Leeper, Miss Katherine Helwig, Mrs. Harry Miller, Miss Mary Ogden, Mrs. M. H. TEACH KANSANS TO RAISE FISH

STATE PROVIDES SHORT COURSE OF INSTRUCTION.

Latest New Branch of Education, Started by Game Department, Promises Great Returns.

Lawrence, Kan., May 16.—Having provided for almost every other branch of knowledge, Kansas now has started a fisheries school, where piscatorial knowledge will be dispensed to those who desire to learn. A two-weeks' course will equip anyone to begin pisciculture successfully.

The state fish and game department now is distributing fish of breeding size and spawn to private ponds and lakes, but it is found that the greatest hindrance to the full economic success of the plan is ignorance regarding the rules for fish culture. To remove this, bulletins with ample illustrations will be sent out, and institutes for those who desire short courses in fish culture will be conducted at the hatchery at Pratt.

Hundreds of acres of Kansas soil will be put under water in the next few years as a result of the development of the fish industry, following the establishment of the big hatchery at Pratt under the supervision of the University of Kansas. And these acres will still be under cultivation—fish cultivation—on a plan that will make them yield greater returns than any other equal number of acres in the state.

"The streams of the state," Prof. Dyche explains, "will be supplied with fish of various sizes and ages; but farmers who are enterprising enough to build ponds will receive for stock brood purposes a special assignment of two-year-old fish. These are old enough to spawn and this plan will save the farmers two important years before the time to harvest his first crop of fish."

Picked Open a Cartridge.

Hutchinson, Kan., May 16.—When the teacher wasn't looking Henry Sommerhaus, 12 years old, took a blank cartridge from his pocket and tried to pick out the cap with his knife blade. The explosion tore the boy's right thumb off, mangled two other fingers and burned his face and eyes.

Miss Tillie Schumacher of Burlington Junction spent Thursday in Maryville with Miss Ella Noll.

JAPANESE SCARE BOBS UP AGAIN

Senator Fall, of New Mexico, Reads Sensational Story in Congress.

INVESTIGATION MAY FOLLOW

Former Spy in Employ of Japan Charges Orozco Campaign is Being Financed by Mikado's Government in Return for Concession.

Washington, May 16.—Interest in the Japanese activities on the West coast of Mexico was suddenly revived in congress at the instance of Senator Fall of New Mexico.

Fall read into the congressional record a sensational and commercial story given out at El Paso by Peter F. Aiken, who charges that General Orozco is being financed in his campaign to overthrow Madero by the Japanese in return for concessions at Magdalena bay and other favors that may be wanted by Japan.

Aiken was a spy for Japan during the Russian-Japanese war and later was in the secret service of the Mexican government. He is at present under arrest at El Paso on a charge growing out of attempts to ship arms into Mexico.

Has Details in Writing.

Aiken asserts he has complete details in writing of a conference between Orozco and representatives of the Japanese government at which a deal was made by which Japan would be allowed a foothold in Mexico.

Aiken charges specifically that at Chihuahua on March 9 an agreement was signed by Orozco and three representatives of the Japanese government under which Japan was to finance the revolution in return for a grant of the Magdalena bay concession and such other concessions as it might decide to take.

The avowed purpose of the concessions, according to Aiken was to give the Japanese a strategic position in the Pacific against the United States.

Present at Conference.

Aiken asserts that he personally witnessed the conference between the revolutionists and the Japanese. He declares that he had gained the confidence of Orozco through the aid of a Madero spy and that he was present at the revolutionary headquarters when the meeting took place.

During his service as a Japanese spy in the war with Russia, Aiken claims to have heard many Japanese discussing plans for landing troops in the vicinity of Magdalena bay and operating from that point against this country.

Senator Fall said that ordinarily he would not have asked for the publication of such a statement in the record but it had been sent to him by a man who personally was responsible and who was deeply interested in Mexico.

It is probable that the rules committee of the house will take favorable action within a few days on the Raker resolution calling for an investigation.

STRIKING PRESSMEN IN FIGHT

Union Men Attacked by Strikebreakers at Atlanta, Ga., and Badly Beaten Up.

Atlanta, Ga., May 16.—The first violence in connection with the strike of pressmen on William R. Hearst's Atlanta Georgian took place when strike breakers and union men from the Journal engaged in a fight. Three of the union men, including F. B. Brigman, president of the Atlanta local, are in a hospital badly beaten and cut. It is said the strike breakers are from New York. The Georgian's former employees, it was reported would consider returning to work.

SHOWMAN SUSPECT CLAIMS AN ALIBI

Charles Marzyck, Accused of Killing Whole Family, Captured.

FOUND IN BRITISH COLUMBIA

Says He Intended to Remain in Hiding Until Guilty Person Was Discovered, Then Come Back.

Ellsworth, Kan., May 16.—A search lasting since October was finally rewarded when Sheriff Rufus Bradshaw arrived here over the Union Pacific with Charles Marzyck, alleged murderer of the William Showman family. Sheriff Bradshaw left Kamloops, British Columbia, with his prisoner under police escort to the Canadian border, and from there came straight through without a stop except one night at Seattle.

Marzyck waived extradition. He protests his innocence and says he can prove he was many miles away from Ellsworth the night the Showman family was slain. Marzyck was arrested two months ago at Golden, B. C., and sentenced to serve two months at the Kamloops prison for obtaining goods under false pretenses. He told Sheriff Bradshaw he has known of the Showman murder practically ever since it happened. He saw accounts of it in the daily papers and later his sister living at Denver sent him newspaper clippings in which he was accused of the murder.

Sister Advised Flight.

"When I read the newspaper accounts accusing me of the murder, I nearly fainted," Marzyck said. "Why the Showmans were the best friends I had in Ellsworth. My first impulse was to go to Ellsworth and clear myself. I wrote my sister to this effect, but she replied I had better remain under cover for a while until the real murderers were arrested, and then I could show myself again. That is why I have kept away from Ellsworth and changed my name. I am innocent and can prove it."

Marzyck was sent to the penitentiary from here in 1906 for stealing a load of wheat. His wife and her sister, Mrs. Showman, testified against him and he threatened revenge. Later his wife secured a divorce and married James Vopat of this county.

Entire Family Killed.

It is upon these threats that officers here base their belief that Marzyck is guilty. So far as is known he was not seen here the night of the murder. In addition to killing the entire Showman family, consisting of William Showman and wife and three children, the body of Mrs. Showman was mutilated in such a manner as to give the impression that the murderer was either insane or possessed of an abnormal hatred towards her.

RICHESON TO DIE NEXT MONDAY

Governor Will Present No Petition for Leniency and Sentence Will be Carried Out.

Boston, May 16.—Clarence V. T. Richeson slept soundly in death cell No. 1 at Charlestown prison where he will die next Monday for the murder of Avis Linnell. He arose apparently in a better state than when he was taken to the cell.

Richeson knows his death is practically certain, but down in his heart was still a single shred of hope.

Not even Richeson's father or sister can speak to him now except by special order from Gov. Foss. No word has been heard from the family in Virginia for months.

It was learned positively from an unquestioned authority at the state house that the governor would present no petition for leniency to his council. Even should this petition be presented it is known the body overwhelmingly objects to interfering with the sentence of the court.

MAKES IT HARD FOR INSURGENTS

Illinois Senate Passes Bill Making it Difficult to Avoid New Woodmen Rates.

Springfield, Ill., May 16.—The Illinois senate passed the amended Donahue bill which would put, through a referendum clause, the burden of preventing the new Woodmen rates from becoming effective January 1, upon the insurgents.

The measure now goes back to the house. Under the referendum, the rates can be defeated only by a majority of the total membership of the Woodmen voting against them.

Building Contract Let.

Columbia, Mo., May 16.—The University of Missouri let a contract for the erection of a new chemistry building to cost \$60,000. The building is to be of Boone county stone and will be on the new quadrangle. The quadrangle will be about two blocks from the old campus.

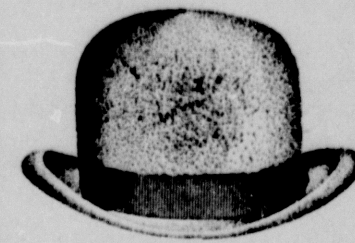

Elks in Springfield.

Springfield, Mo., May 16.—Five hundred Missouri Elks are here for the four-day convention which just opened. One hundred Sedalia boosters are here urging the candidacy of R. C. Combs, first vice-president of their lodge, for the state presidency.

FOREST FIRE KILLED FIVE

Seventy Million Feet of Green Timber Destroyed.

RANCHMEN LOSE THEIR HOMES

Loss in Logging Engines and Other Railroad Property Alone Will Reach \$100,000—Flames Still Uncontrolled.

Seattle, Wash., May 16.—Five lives known to be lost, two men missing and property damaged several hundred thousand dollars are the results of forest fires which swept over the northwestern part of Washington. The fires are still uncontrolled, but in most sections the situation shows improvement.

The most serious fires at present are in Snohomish county where several saw mills and logging camps have been destroyed.

Destroyed Four Camps. The loss of life occurred in the fire which destroyed four logging camps in Skagit county. Fifty million feet of green timber was destroyed by this fire. Other fires in Western Washington brought the total timber destroyed to 70,000,000 feet.

Corpses of three men were found in one camp in the morning and the bodies of four others are known to be in the ruins.

Logging crews had been engaged for several days burning slashings on logged-off lands. A gale arose and sparks from a brush fire set the forest afire.

Tried to Save Property.

The dryness caused the flames to spread rapidly. One hundred and eighty persons from the Dempsey camp fled to Hamilton, five miles away. Seven of the men remained behind, believing they could save the property. The bodies of the cook and two of his helpers were found.

Seven ranchmen are known to have lost their houses, barns and all they possessed. The refugees are flocking into Hamilton and Sedro-Woolley, where they are being cared for.

In the logging camps two locomotives were burned with several donkey engines, a number of miles of railroad and skid roads, all buildings and apparatus. The loss in this kind of property alone is placed at about \$100,000.

WILL LIMIT SALOON LICENSES

Town of Winthrop Has One for Every Seven Inhabitants and Court Refuses to Issue More.

St. Joseph, Mo., May 16.—Winthrop, Mo., where the tipplers from Atchison, Kan., go when they desire a drink, is to be limited in the number of its saloons. The town has 83 inhabitants, including the women and children, and the county court has just issued licenses for four additional saloons.

Winthrop now has six saloons and six wholesale liquor houses and is the "wettest" town in the country in proportion to its population. The members of the county court say they will issue no more saloon licenses. It now has one liquor house for every seven inhabitants.

DARROW WILL DEFEND HIMSELF

McNAMARAS' ATTORNEY ON TRIAL FOR JURY BRIBING.

Three Other Lawyers Will Assist in Case—Mrs. McManigal Will Probably Testify.

Los Angeles, May 16.—Clarence S. Darrow of Chicago, chief counsel for the McNamara brothers in the Los Angeles dynamiting case, was put on trial before Judge George Hutton in the superior court here, under an indictment charging him with having attempted to bribe a juror in the McNamara trial. When he appeared in court, Darrow said he was ready for trial and would ask no delay; that he was innocent of any wrong doing, and that he had no fear of the outcome of the case.

Darrow is being defended by Earl Rogers, ex-Judge Cyrus McNutt of Indiana, Will Anderson and by himself. Darrow announced that he would make application to the court to be recognized as an attorney of record in his own case.

The prosecution is in charge of John D. Fredericks, district attorney, who conducted the McNamara prosecution. He said: "The evidence against Darrow is as strong as it was against the McNamaras."

Among the witnesses to be called, attorneys for the prosecution said, would be Mrs. Ortie E. McManigal, providing she was willing to come from Chicago.

Other witnesses to be called include Bert H. Franklin, formerly chief investigator for Darrow, and who recently was fined \$4,000 for having attempted to bribe one of the McNamara jurors. At his trial Franklin testified that Darrow directed him to bribe the jurors and gave him the necessary money to do it.

Mrs. Roy Davis visited with Mrs. A. Murphey in Maryville the first of the week.

Hedinger and Jeffers auto company had a demonstrator here last week showing the Maxwell car.

The ten-months-old son of Sam Robbins is still quite sick. The little fellow underwent an operation last week.

Fred McIntire who spent the winter in Vancouver, B. C., is visiting his parents, Mr. and Mrs. Chas. McIntire. Luke Brown of Burlington Junction is here showing a fourteen hundred dollar automobile.

Mrs. W. S. Miles, who is suffering of a cancer, is growing much worse, being in bed most of the time now. Her son Glen Jackson, who has been attending business college at Chillicothe, came home this week.

Mr. and Mrs. Wm. Pettyjohn are the parents of a baby girl.

Mrs. Maud Douglas and little son visited Mrs. Estella Douglas over Sunday.

Mrs. Ida Albright of Alexandria, Neb., visited her niece, Mrs. W. S. Miles Tuesday.

Mrs. E. C. Wolfers, Sr. entertained the Salad club Friday afternoon at "500", Mrs. C. E. Donlin winning the prize.

Miss Kate Brown entertained the Embroidery club Tuesday afternoon.

At a meeting of the P. E. O. society Monday afternoon, it was decided to donate \$100 towards beautifying the town. One flower bed has been put in and more will be added.

Mrs. Fred Woodbridge entertained the Ladies Aid society of the Presbyterian church Wednesday afternoon.

The three-weeks-old baby of Mr. and Mrs. Walter Gray was buried Sunday in the Hopkins cemetery.

Mr. and Mrs. Grover Thompson have moved into their new home just completed in South Hopkins.

Mr. and Mrs. Henry Newmeyer arrived Tuesday morning from a trip to California.

The Class day sermon was preached by Rev. A. P. Walton in the Presbyterian Church Sunday night, to an immense crowd of people. The subject was the class motto, "We take no steps backward." There are ten in the class, eight girls and two boys.

Mothers' Day was observed by all the churches. Sermons music and decorations, and all tended to make the day an appreciable event.

Mrs. Joe Freeman of St. Joseph is here to attend the graduation of her sister, Miss Lois Sturgeon.

At a meeting of the school board last Saturday night, Prof. Lowery was re-elected at a raise in salary. Miss Rose Collins of Maryville, was elected as principal, Lulu Hughes Miss Stewart, Metta McAtee and Edna Bonewitz were all re-elected at a raise in salary. There are two teachers yet to be hired.

The P. E. O. plant sale closed last week and was a very successful undertaking. Over one hundred dollars worth of plants were sold, all of which were purchased of Englemann, the Maryville florist and authority said they were the finest plants ever shipped into Hopkins. Miss Helen Sheley entertained the Freshman and Sophomore classes at a marshmallow and "weenie" roast which was enjoyed very much. The young people met at the Sheley home and went to the timber where the roast was held. They were chaperoned by Mrs. Sheley and Mrs. Webb. Miss Cleo Kline and a few others outside the class were invited.

MRS. MCGILL BROKE DOWN

Gives the Real Facts in Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more.

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui. Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

SEES CLARK WINNER

KANSAS CITY STAR'S CORRESPONDENT THINKS SPEAKER WILL WIN

HAS MOST INSTRUCTED

Of 635 Elected, Missouri Man Claims 265—Politicians Take Him Seriously Now.

A Washington dispatch to the Kansas City Times had the following:

Democratic politicians have suddenly awakened to the fact that the Speaker Champ Clark on the face of the returns is the most formidable candidate for the Democratic nomination for President.

It has been only within the last week or so that the Clark candidacy has been taken seriously. Now, however, there is almost a panic in the rival camps because it is seen that Clark is fast approaching the point that to defeat him for the nomination will take a combination of all the other candidates in the game, Bryan included. Incidentally, with the poor showing by Wilson and the fast development of strength by Clark, there bobs up more and more Bryan talk.

The victory of Clark in California has given the Clark boom the greatest impetus it has yet had. Then the news came from Michigan that that state had refused to instruct. That is taken to mean that it was a Clark victory, for all the forecasts had been that Michigan was a Wilson state. Wilson not being able to get instructions there is taken to mean that that state will go with the wagon, which is fast being filled with the speaker's men. Iowa is also controlled by the speaker.

There have been elected so far 635 delegates to the Democratic Baltimore convention. At the Clark headquarters it is said that the speaker has 265 instructed delegates and thirty-two pledged. In this 265 claim is included the twenty from Kansas, which, although instructed for him, are permitted to leave him when they please. There are here and there a few other instructed delegates with strings on them, but the fact still remains that Clark is well off in the lead and gives indication of getting stronger.

It should be remembered that in the Democratic convention it takes two-thirds to nominate or 730 delegates. A majority is 548. It will be seen that it's a far cry from a majority to a two-thirds vote.

EXERCISES HELD WEDNESDAY

Commencement of Eighth Grade of Hopkins High School Took Place Then.

The commencement of the eighth grade of the Hopkins high school was given at the Christian Church in that town Wednesday evening to a large and enthusiastic audience.

The first part of the program consisted of music and reading by members of the class.

The second part was "Mock Commencement," with the girls of the class attired in sunbonnets and blue aprons and the boys in blue overalls they made a striking and exceptional appearance.

Rolla Fleming was salutatorian, and well did he fill the place, his grammatical expressions and phrases were unheard of by Webster.

Essays on "Fies," "Weddings," "Hair Rats and Clothes" were given, also class history and poem, then came the most interesting and psychological moment when John M. Morehead, a member of the class attired as a superintendent delivered a short address and presented the diplomas. This entire part of the program was of the comical nature and took well with the audience.

After another class song and presentation of the real diplomas to five girls and eight boys the audience was dismissed by a prayer offered by Rev. Walton.

Bought the Alumbaugh Farm.

Mr. and Mrs. Charles W. Eaton of Barnard were in Maryville Wednesday and closed up a deal with Peter Alumbaugh also of Barnard, for his farm of seventy acres, which lies two and one half miles northwest of Barnard. Mr. and Mrs. Alumbaugh will move to Maryville.

WRITES OF THE CONFERENCE.

Rev. John States That the Committee Reported Unfavorable On Card Playing and Dancing.

Rev. C. H. John of this city has been receiving papers from Minneapolis, Minn., where the Methodist General Conference is being held and which is being attended by Dr. W. B. Christy of Maryville as a delegate from Missouri. He has been requested to write of some of the interesting things that have been taken place at the conference. He writes as follows:

"The general conference of the Methodist Episcopal church convened at Minneapolis on Wednesday, May 1, and was organized by electing Rev. J. B. Hingley, D. D. of the Northern Minnesota conference as secretary and also electing twenty-six assistant secretaries, one of which was Rev. J. W. Anderson of the Missouri conference. There were sixteen standing committees appointed, each of which number about 150 persons.

"As now composed the body contains 819 members. At present it looks as if the attempt to reduce its size will fail.

"The real work of the conference is done by its standing committees, and no matter pertaining to the regular work of the conference can be acted on until it is brought before the main body by its appropriate committee.

"One of the first acts of the conference was the adoption of a resolution presented by J. W. Anderson, W. F. Burris and W. B. Christy, severely censuring Secretary Wilson for insulting the Christian conscience of the American people by presiding at the National Brewers congress. Another resolution was passed endorsing the action of the commissioner of Indian schools in ordering that in all government schools there should be no denominational insignia in any public room and that employees wearing any distinctive denominational garb should leave it off while on duty. Also censuring the president of the United States for suspending said order.

"The committee to which was referred certain memorials asking for the elimination of certain parts of paragraph 269, relative to dancing, playing at games of chance, attending theaters, etc., by a vote of 100 to 51 favored retaining the paragraph as it is.

"The report is that three of the present board of bishops will be retired. The exact number of new bishops to be elected has not yet been determined, probably about six.

"The conference has fixed May 28 as the date of adjournment."

WILL INSTALL OFFICERS.

TARKIO BIT THE DUST

IN GAME WITH THE NORTHWEST NORMAL TEAM.

WAS CLOSE GAME 2 TO 1

The Game Lasted One Hour and Fifteen Minutes—Teams Played Fast and Close.

For the first time in the history of athletics at the Northwest Normal, the local school humbled Tarkio College when they won from the Collegians' baseball team yesterday by a score of 2 to 1. The count will indicate the game was a close one and was fast from start to finish. It took just one hour and fifteen minutes to play the contest. The one feature of the battle, aside from the good work of both pitchers, was the running catch of Withrow's long fly by Adams in the eighth inning. This marvelous catch doubtless saved the game for the locals for that swat would have gone for a homer sure if the big left-fielder hadn't captured it. A coincidence of the contest was that the Normal got but two safe hits, one of which was of the scratch variety, while the losers connected safely eight times. But "The Jew" was there in the pinches and should have scored a shutout. Garvin, who opposed Wilson on the mound, pitched an excellent game but his teammates accorded him poor support. Not a run crossed the plate until the first half of the sixth, when the enemy counted one. Pyres opened with a liner to left, stole second and took third on Withrow's safe one between first and second. Gelvin sent a long fly to Richardson and the big Swede returned it perfectly to home, but the throw got away from McKee and Pyres scored. In the home half of the sixth, Wilson was safe on Kirk's muff of his pop fly. When Taylor hit safely to right, the Jew went clear to third and scored on Adams' grounder to short. The winning run of the game came in eighth. Perrin opened the inning with a long fly to center which Wilkin dropped allowing the Normal first sacker to go to second. Wilson hit sharply to short and Morehead let the ball go through and Perrin went home with the winning run.

SUIT FOR DIVORCE

FILED BY C. J. COLDEN A FORMER MARYVILLE NEWSPAPER MAN.

FROM JESSIE F. COLDEN

Mr. Colden's Petition Filed in Independence—He Resides in Kansas City—Family Lives Here.

A suit for divorce was filed Tuesday in Independence, Jackson county, Mo., by Charles J. Colden, formerly of Maryville, but now of Kansas City, from his wife, Jessie F. Colden of Maryville. It is not known what the petition contains.

Mr. Colden is living in Kansas City and is at present doing magazine writing and other literary work there. He was in New York City a few months last year studying for this line of work. He has not been a resident of Maryville for several years. The family moved to Kansas City and lived there two years, where Mr. Colden prospered greatly in the real estate business. They returned to their home in Maryville about a year ago, but Mr. Colden was not here but a few weeks.

Mrs. Colden and their three children, Archie, Vijune and Abbie, live at the Colden home on North avenue.

The announcement of the filing of this suit in Wednesday's Kansas City Times was a great surprise to Maryville people. Mrs. Colden is a member of one of the best families in Nodaway county and is a cultured Christian woman.

Mr. Colden was the founder of the Nodaway Forum and represented Nodaway county in the Missouri legislature two terms. He was a candidate for state senator from this district four years ago being defeated by Senator Peck, the Republican candidate. Mr. Colden was president of the board of regents of the Northwest Normal, and made a trip to Europe while a member of the board in the interest of industrial and agricultural features for that school.

HOLKER STEERS SOLD HIGH.

Hopkins Feeder at St. Joseph With Consignment of Good Steers.

A well-fattened bunch of steers good enough to sell at \$8.65, the top of the market and a price equal to the high record of the year at St. Joseph, was marketed Tuesday by Joe Holker, an extensive farmer and cattle feeder of Hopkins. There were 6 steers, cut out of a shipment of cattle, marketed by Mr. Holker, averaging 1,413 lbs., that sold at the price mentioned above.—Live Stock Journal.

FLEMING OPERATED ON.

The Wealthy Livestock Man Doing Well in St. Joseph Hospital.

T. E. Fleming of Graham was operated upon this week at the St. Joseph's hospital in St. Joseph for an internal abscess. Mr. Fleming was taken sick while on his way to his ranch and hurried back as far as St. Joseph. Dr. J. F. Schmidt performed the operation and reports the patient as doing well. Mr. Fleming lost his fine \$20,000 farm house at Graham by fire last January.

Filed on Claim.

Raymond Schroyer, who drew a claim in the Rosebud reservation in South Dakota, filed on the claim recently.

On Visit to Springfield.

Miss Ruth Matter left for Springfield, Mo., Thursday morning to visit Miss Helen Wray, the daughter of Mr. and Mrs. Curtis Wray, formerly of Maryville. Miss Matter will be absent three or four weeks.

Is Going on Trip West.

Y. S. A. E. Tindall went to Bolckow Wednesday evening for a few days visit with her old friend, Mrs. Sarah Asher, before leaving on an extended trip to the west. Mrs. Tindall expects to leave about the first of June for Spokane, Wash., to visit her sons, R. A. Tindall and A. F. Tindall, Sr., who are ranchmen in that section. She is eighty-four years of age, but appears many years younger, and looks forward to her trip with the eager anticipation of a young woman.

Miss Lennis Blake who has been visiting Misses Frances and May Miller since Saturday, returned to her home in King City Wednesday. Miss Blake is conducting a music studio there with much success.

SUDDEN DEATH AT PARNELL.

Mrs. Henry Frede Died Suddenly Thursday Morning of Heart Trouble—Funeral Sunday.

Mrs. Henry Frede, living near Parnell, died suddenly at her home Thursday morning of heart failure. She had been in good health apparently, and her sudden death is a severe trial to her family. She is survived by her husband and three children. The funeral services will be held Sunday morning.

TO PUT UP WIRE FENCE.

Around Government Site So As To Keep People Away—Taking Up Most of the Street, It Is Said.

A wire fence is being put up today around the postoffice site so as to keep people out of the way. The material for the building is arriving every day, some stone from Bedford, Ind., coming in this morning.

Some complaints have been made that the postoffice contractor is using more of the street than is provided by the city ordinance, and is obstructing the public highway.

Announce Birth of Daughter.

Mr. and Mrs. Drew Protzman, 317 South Vine street, announce the birth of a nine-pound daughter, Virginia, on Wednesday, May 15, 1912.

COME THROUGH HERE

DENVER AUTO PARTY IS DUE IN MARYVILLE ON JUNE 6.

WILL MEAN A GREAT DEAL

For Glidden Route as Run Is Made by Denver Commercial Club, Who Will Advertise Route.

According to a letter received today by G. B. Roseberry from Frank Burt, chairman of the route and entertainment committee Denver Chamber of Commerce, fifty automobiles containing Denver people will pass through Maryville on Thursday, June 6, and will make Tarkio the noon control.

The Denver Commercial club is to make the run from that city to Chicago and are to leave Denver on May 21. They are not to return until the first week in June and it is not known how they will come to Maryville. But from Maryville on, they will take the 1910 Glidden tour route, which passes through Burlington Junction, Tarkio and Shenandoah.

The Denver autoists coming on the Glidden route means a great deal for the route and the towns on it. They are going to report the trip and no doubt, a large number of tourists will follow their routing.

The Maryville Commercial club will arrange to have the road in fine condition for the autoists as will also Tarkio and Shenandoah.

friends informally Wednesday even-
ing.

Cradle Roll Day.

The Young Ladies Mission Circle of
the First Christian Church will meet
Saturday afternoon with Mrs. J. S.
Shinabargar, the Circle president. It
will be "Cradle Roll Day," the pro-
gram to be presented by the children
of the Circle.

Will Be Week-End Guests.

Mrs. Frank Welch and her friends,
Mrs. Joseph Miller, of Shenandoah,
Iowa, arrived in the city Thursday
morning to spend the week-end with
Mrs. Welch's sister, Mrs. Leslie Dean,
and to attend the parties to be given
Friday and Saturday afternoons by
Mrs. Dean and Mrs. Charles D. Koch
at Mrs. Koch's home.

A Cafeteria Luncheon.

The ladies of the First Christian
Church will serve a cafeteria lunch-
eon in the church parlors Saturday
from 11 a. m. to 1:30 p. m., to which
everybody is invited. The menu will
consist of hot roast beef sandwiches,
crispy potatoes, cream asparagus,
lettuce salad, radishes, green
onions, pie, coffee. A minimum
charge of 25 cents will be made.

Had Picnic Anyhow.

The cold weather forbid a much-
planned picnic in Normal park Wed-
nesday evening, so the young people
who had planned it took their lunches
to Avery hall Wednesday evening and
held their picnic there. Those in the
party were Misses Fannie Hefflin,
Emma Crandall, Clara Yount, Mary
Gallagher, Lou Cunningham, Leah
McElroy, Maybird Parrish, Sylvesta
Holliday, Luta Moody, Messrs. Don
Aldridge, Hosick Holmes, Mr. Robert-
son, June and Will Saunders, Cecil
Sheldon, Arthur Malone, Orloff Clark,
Will O'Grady.

Will Entertain Conservatory Class.

Miss Marie Reuillard, assisted by
her mother and sister, Mrs. F. P. Reu-
illard and Miss Ruth Reuillard, will
entertain the senior class and faculty
of the Maryville Conservatory Thurs-
day evening at their home, with a
musical and luncheon. Their guests
will be Director and Mrs. P. O. Lan-
don, Miss Lottie Perrin, Miss Birde
Shelton, Miss Marie Jones, Miss Sara
McMaster, and the Misses Mabel
Dysett, Valeda Vance, Maud Tarpley,
Ethel Abbott, Ruth Turner, Allie Fra-
ser and Ada Clayton. Miss Reuillard,
the hostess, will take post-graduate
work at the conservatory the coming
year, and expects to further pursue
musical study in higher schools of
music.

Dance at Elks.

The informal dance at the Elks was
well attended Wednesday evening.
The music was furnished by Glenn
Goff and Lawrence Schumacher. The
dancers were: Misses Cecil Benight,
Brownie Toel, Esther Shoemaker,
Rena Sturm, Kitty Gremis, Vera Til-
son, Carrie Margaret Baker, Katie
Marie Reuillard, Anna Bainum,

Eloquent, but "spacheless."

Horace Gibson, the spellbinder of
the senior class of the Maryville high
school, who can talk hours and hours
for the initiative and referendum and
then begin again and do it all over
better than before right in the face
of that terrible censor, Professor
Shepherd Leffler, was rendered
completely "dumb and spacheless"
Wednesday by a very little mat-
ter. The members of his class dis-
covered that Wednesday was his
seventeenth birthday anniversary
while at the class party at Miss Hil-
dred Hanna's home Tuesday evening,
so they planned a surprise for him, as
they have been wanting to get even
with him for so gloriously winning
the debate from Savannah, but hadn't
had a chance till now. They ordered
a nice two-course dinner on Tuesday
at Reuillard's cafe and he was easily
towed into the place by one of the
boys and lo, there they all were,
seated around the table waiting for
him, with a big birthday cake in the
center of the table, lighted by seven-
teen candles. That was the time that
Horace couldn't speak and the whole
class thoroughly enjoyed his predicam-
ent. After the dinner was over each
member of the class carried away a
candle from the cake as souvenirs.
Horace Gibson is the youngest boy in
the class.

Planned for Larger Work.

The superintendent and teachers of
the First Baptist Church Sunday school
gave a luncheon in the church parlors
Wednesday evening at six o'clock and
planned for improvements that are
soon to be made in the work of the
school. Superintendent Craig present-
ed the matter of adopting the graded
system for the school which met with
unanimous approval and will be estab-
lished as soon as the books arrive. A
new Sunday school orchestra has just
been organized and will make its first
appearance next Sunday, with Mr.
Bennett as director. The teachers are
Mr. Herman W. Hull, Mr. F. W. Olney,
Miss Ada Albert, Professor E. L. Her-
rington, Mrs. Anderson Craig, Miss
Myra Hull, Mrs. Gay Leeper, Miss
Katherine Helwig, Mrs. Harry Miller,
Miss Mary Ogden, Mrs. M. H. Borrusch,
Mrs. John Anderson, Miss Ora Quinn.

TEACH KANSANS TO RAISE FISH

STATE PROVIDES SHORT COURSE
OF INSTRUCTION.

Latest New Branch of Education,
Started by Game Department,
Promises Great Returns.

Lawrence, Kan., May 16.—Having
provided for almost every other
branch of knowledge, Kansas now has
started a fisheries school, where
piscatorial knowledge will be dis-
pensed to those who desire to learn.
A two-weeks' course will equip any-
one to begin pisciculture successfully.
The state fish and game department
now is distributing fish of breeding
size and spawn to private ponds and
lakes, but it is found that the great-
est hindrance to the full economic
success of the plan is ignorance re-
garding the rules for fish culture. To
remove this, bulletins with ample
illustrations will be sent out, and in-
stitutes for those who desire short
courses in fish culture will be con-
ducted at the hatchery at Pratt.

Hundreds of acres of Kansas soil
will be put under water in the next
few years as a result of the develop-
ment of the fish industry, following
the establishment of the big hatchery
at Pratt under the supervision of the
University of Kansas. And these
acres will still be under cultivation—
fish cultivation—on a plan that will
make them yield greater returns than
any other equal number of acres in
the state.

"The streams of the state," Prof.
Dyche explains, "will be supplied with
fish of various sizes and ages; but
farmers who are enterprising enough
to build ponds will receive for stock
brood purposes a special assignment
of two-year-old fish. These are old
enough to spawn and this plan will
save the farmers two important years
before the time to harvest his first
crop of fish."

Picked Open a Cartridge.

Hutchinson, Kan., May 16.—When
the teacher wasn't looking Henry
Sommerhaus, 12 years old, took a
blank cartridge from his pocket and
tried to pick out the cap with his
knife blade. The explosion tore the
boy's right thumb off, mangled two
other fingers and burned his face and
eyes.

Miss Thille Schumacher of Burling-
ton Junction spent Thursday in Mary-
ville with Miss Ella Noll.

JAPANESE SCARE BOBS UP AGAIN

Senator Fall, of New Mexico, Reads Sensational Story in Congress.

INVESTIGATION MAY FOLLOW

Former Spy in Employ of Japan Charges Orozco Campaign is Being Financed by Mikado's Government in Return for Concession.

Washington, May 16.—Interest in the Japanese activities on the West coast of Mexico was suddenly revived in congress at the instance of Senator Fall of New Mexico.

Fall read into the congressional record a sensational and commercial story given out at El Paso by Peter F. Aiken, who charges that General Orozco is being financed in his campaign to overthrow Madero by the Japanese in return for concessions at Magdalena bay and other favors that may be wanted by Japan.

Aiken was a spy for Japan during the Russian-Japanese war and later was in the secret service of the Mexican government. He is at present under arrest at El Paso on a charge growing out of attempts to ship arms into Mexico.

Has Details in Writing.

Aiken asserts he has complete details in writing of a conference between Orozco and representatives of the Japanese government at which a deal was made by which Japan would be allowed a foothold in Mexico.

Aiken charges specifically that at Chihuahua on March 9 an agreement was signed by Orozco and three representatives of the Japanese government under which Japan was to finance the revolution in return for a grant of the Magdalena bay concession and such other concessions as it might decide to take.

The avowed purpose of the concessions, according to Aiken was to give the Japanese a strategic position in the Pacific against the United States.

Present at Conference.

Aiken asserts that he personally witnessed the conference between the revolutionists and the Japanese. He declares that he had gained the confidence of Orozco through the aid of a Madero spy and that he was present at the revolutionary headquarters when the meeting took place.

During his service as a Japanese spy in the war with Russia, Aiken claims to have heard many Japanese discussing plans for landing troops in the vicinity of Magdalena bay and operating from that point against this country.

Senator Fall said that ordinarily he would not have asked for the publication of such a statement in the record but it had been sent to him by a man who personally was responsible and who was deeply interested in Mexico.

It is probable that the rules committee of the house will take favorable action within a few days on the Raker resolution calling for an investigation.

STRIKING PRESSMEN IN FIGHT

Union Men Attacked by Strikebreakers at Atlanta, Ga., and Badly Beaten Up.

Atlanta, Ga., May 16.—The first violence in connection with the strike of pressmen on William R. Hearst's Atlanta Georgian took place when strike breakers and union men from the Journal engaged in a fight. Three of the union men, including E. B. Brigman, president of the Atlanta local, are in a hospital badly beaten and cut. It is said the strike breakers are from New York. The Georgian's former employees, it was reported would consider returning to work.

Sunshine Society at Rochester.

Rochester, N. Y., May 16.—The fourteenth annual convention of the International Sunshine society opened here today and will be in session until Sunday. The Sunshiners are the guests of the Hub Branch of the organization. This evening there will be a banquet, which will be followed by a reception. Tomorrow morning the visitors will have an opportunity to see Rochester, and later will take a train for Lakemont, to the Starkey Seminary, Sunshine Lodge, where the remaining days of the convention will be spent.

Olympic Sails at Last.

Southampton, May 16.—The White Star liner Olympic, sister ship of the Titanic, sailed for New York, after being held up here since April 24 because members of the crew were not satisfied with its lifesaving apparatus.

Killed by a Folding Bed.

Clarence, Mo., May 16.—Mrs. Lucinda Welch was killed by being caught in a folding bed. The body was not found until morning. She was caught in the corner of the bed by the neck and choked to death.

Pittsburg Gains 266.

Pittsburg, Kan., May 16.—Population returns made by assessors show that the city of Pittsburg has gained 266 in population since last year. The population this year is placed 15,419.

SHOWMAN SUSPECT CLAIMS AN ALIBI

Charles Marzyck, Accused of Killing Whole Family, Captured.

FOUND IN BRITISH COLUMBIA

Says He Intended to Remain in Hiding Until Guilty Person Was Discovered, Then Come Back.

Ellsworth, Kan., May 16.—A search lasting since October was finally rewarded when Sheriff Rufus Bradshaw arrived here over the Union Pacific with Charles Marzyck, alleged murderer of the William Showman family. Sheriff Bradshaw left Kamloops, British Columbia, with his prisoner under police escort to the Canadian border, and from there came straight through without a stop except one night at Seattle.

Marzyck waived extradition. He protests his innocence and says he can prove he was many miles away from Ellsworth the night the Showman family was slain. Marzyck was arrested two months ago at Golden, B. C., and sentenced to serve two months at the Kamloops prison for obtaining goods under false pretenses. He told Sheriff Bradshaw he has known of the Showman murder practically ever since it happened. He saw accounts of it in the daily papers and later his sister living at Denver sent him newspaper clippings in which he was accused of the murder.

Sister Advised Flight.

"When I read the newspaper accounts accusing me of the murder, I nearly fainted," Marzyck said. "Why the Showmans were the best friends I had in Ellsworth. My first impulse was to go to Ellsworth and clear myself. I wrote my sister to this effect, but she replied I had better remain under cover for a while until the real murderers were arrested, and then I could show myself again. That is why I have kept away from Ellsworth and changed my name. I am innocent and can prove it."

Marzyck was sent to the penitentiary from here in 1906 for stealing a load of wheat. His wife and her sister, Mrs. Showman, testified against him and he threatened revenge. Later his wife secured a divorce and married James Vopat of this county.

Entire Family Killed.

It is upon these threats that officers here base their belief that Marzyck is guilty. So far as is known he was not seen here the night of the murder. In addition to killing the entire Showman family, consisting of William Showman and wife and three children, the body of Mrs. Showman was mutilated in such a manner as to give the impression that the murderer was either insane or possessed of an abnormal hatred towards her.

RICHESON TO DIE NEXT MONDAY

Governor Will Present No Petition for Leniency and Sentence Will be Carried Out.

Boston, May 16.—Clarence V. T. Richeson slept soundly in death cell No. 1 at Charlestown prison where he will die next Monday for the murder of Avis Linnell. He arose apparently in a better state than when he was taken to the cell.

Richeson knows his death is practically certain, but down in his heart was still a single shred of hope.

Not even Richeson's father or sister can speak to him now except by special order from Gov. Foss. No word has been heard from the family in Virginia for months.

It was learned positively from an unquestioned authority at the state house that the governor would present no petition for leniency to his council. Even should this petition be presented it is known the body overwhelmingly objects to interfering with the sentence of the court.

MAKES IT HARD FOR INSURGENTS

Illinois Senate Passes Bill Making it Difficult to Avoid New Woodmen Rates.

Springfield, Ill., May 16.—The Illinois senate passed the amended Donahue bill which would put, through a referendum clause, the burden of preventing the new Woodmen rates from becoming effective January 1, upon the insurgents.

The measure now goes back to the house. Under the referendum, the rates can be defeated only by a majority of the total membership of the Woodmen voting against them.

Building Contract Let.

Columbia, Mo., May 16.—The University of Missouri let a contract for the erection of a new chemistry building to cost \$60,000. The building is to be of Boone county stone and will be on the new quadrangle. The quadrangle will be about two blocks from the old campus.

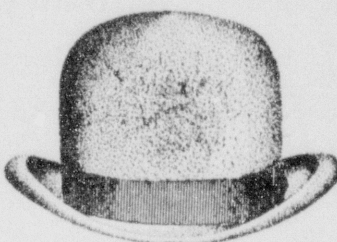

Elks in Springfield.

Springfield, Mo., May 16.—Five hundred Missouri Elks are here for the four-day convention which just opened. One hundred Sedalia boosters are here urging the candidacy of R. C. Combs, first vice-president of their lodge, for the state presidency.

FOREST FIRE KILLED FIVE

Seventy Million Feet of Green Timber Destroyed.

RANCHMEN LOSE THEIR HOMES

Loss in Logging Engines and Other Railroad Property Alone Will Reach \$100,000—Flames Still Uncontrolled.

Seattle, Wash., May 16.—Five lives known to be lost, two men missing and property damaged several hundred thousand dollars are the results of forest fires which swept over the northwestern part of Washington. The fires are still uncontrolled, but in most sections the situation shows improvement.

The most serious fires at present are in Snohomish county where several saw mills and logging camps have been destroyed.

Destroyed Four Camps. The loss of life occurred in the fire which destroyed four logging camps in Skagit county. Fifty million feet of green timber was destroyed by this fire. Other fires in Western Washington brought the total timber destroyed to 70,000,000 feet.

Corpses of three men were found in one camp in the morning and the bodies of four others are known to be in the ruins.

Logging crews had been engaged for several days burning slashings on logged-off lands. A gale arose and sparks from a brush fire set the forest afire.

Tried to Save Property. The dryness caused the flames to spread rapidly. One hundred and eighty persons from the Dempsey camp fled to Hamilton, five miles away. Seven of the men remained behind, believing they could save the property. The bodies of the cook and two of his helpers were found.

Seven ranchmen are known to have lost their houses, barns and all they possessed. The refugees are flocking into Hamilton and Sedro-Woolley, where they are being cared for.

In the logging camps two locomotives were burned with several donkey engines, a number of miles of railroad and skid roads, all buildings and apparatus. The loss in this kind of property alone is placed at about \$100,000.

WILL LIMIT SALOON LICENSES

Town of Winthrop Has One for Every Seven Inhabitants and Court Refuses to Issue More.

St. Joseph, Mo., May 16.—Winthrop, Mo., where the tipplers from Atchison, Kan., go when they desire a drink, is to be limited in the number of its saloons. The town has 83 inhabitants, including the women and children, and the county court has just issued licenses for four additional saloons.

Winthrop now has six saloons and six wholesale liquor houses and is the "wettest" town in the country in proportion to its population. The members of the county court say they will issue no more saloon licenses. It now has one liquor house for every seven inhabitants.

DARROW WILL DEFEND HIMSELF

McNAMARAS' ATTORNEY ON TRIAL FOR JURY BRIBING.

Three Other Lawyers Will Assist in Case—Mrs. McManigal Will Probably Testify.

Los Angeles, May 16.—Clarence S. Darrow of Chicago, chief counsel for the McNamara brothers in the Los Angeles dynamiting case, was put on trial before Judge George Hutton in the superior court here, under an indictment charging him with having attempted to bribe a juror in the McNamara trial. When he appeared in court, Darrow said he was ready for trial and would ask no delay; that he was innocent of any wrong doing, and that he had no fear of the outcome of the case.

Darrow is being defended by Earl Rogers, ex-Judge Cyrus McNutt of Indiana, Will Anderson and by himself. Darrow announced that he would make application to the court to be recognized as an attorney of record in his own case.

The prosecution is in charge of John D. Fredericks, district attorney, who conducted the McNamara prosecution. He said: "The evidence against Darrow is as strong as it was against the McNamaras."

Among the witnesses to be called, attorneys for the prosecution said, would be Mrs. Ortie E. McManigal, providing she was willing to come from Chicago.

Other witnesses to be called include Bert H. Franklin, formerly chief investigator for Darrow, and who recently was fined \$5,000 for having attempted to bribe one of the McNamara jurors. At his trial Franklin testified that Darrow directed him to bribe the jurors and gave him the necessary money to do it.

The young people met at the Shely home and went to the timber where the roast was held. They were chaperoned by Mrs. Shely and Mrs. Webb. Miss Cleo Kime and a few others outside the class were invited.

MRS. MCGILL BROKE DOWN

Gives the Real Facts In Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardul. It did me so much good, I was surprised, and took some more.

Before I took Cardul, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardul.

Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardul is the medicine you need. We urge you to try it.
